

LOCAL MEN IN NAVY TORRANCE NAVYMEN IN RECRUIT TRAINING AT SAN DIEGO: Two graduates of Torrance high school currently going through recruit training together at the U.S. Naval Training Center, San Diego, take time out from their classes to look over a piece of recording equipment in the center's recording studio. On the left is Richard Knight, electronics field seaman recruit, son of Mr. and Mrs. L. A. Knight of 1216 Cranbrook avenue; and on the right is Larry Buggeln, high school seaman recruit, son of Mr. and Mrs. Peter Oreskovich of 23805 Ward street. The men are presently in their third week of training and during their nine weeks at the center will be instructed in boat-handling, personal hygiene, chemical warfare and seamanship. Upon graduation, the men will receive 15 days leave and then will report to their next duty station. Recruit Knight will strike for an electronics rating and recruit Buggeln will strike for a mechanics rating.

DEFEATING POLIO

Figures released recently by the U. S. Public Health Service show that the fight against polio is being steadily won. Although there has been doubt as to the progress of the battle from time to time in recent years, the latest figures show conclusively that the polio vaccine has accomplished miracles in this respect. Only 3217 cases of polio have been reported this year as against 7073 reported last year. Moreover, the paralytic type of polio, which is the worst, has been reduced by an even greater margin. Only 1054 cases have been reported so far in 1957. In 1956 there were 3381 paralytic cases. The figures quoted are national figures. It is true that in some states where mild epidemics occurred the entire picture is not altogether clear. For example, there were slight increases in all types of polio in the following states: South Dakota, Nebraska, North Carolina, South Carolina, Tennessee, Alabama, New Mexico and the District of Columbia.

Canvass of Members Set

Observing the church-wide annual custom of the Protestant Episcopal church, St. Andrew's parish of Torrance, Father Hugh R. Percy, rector, will conduct its Every Member Canvass on Sunday, October 13. The Every Member Canvass is the occasion on which Episcopalians pledge their support of their church for the coming year. As chairmen of the local canvass this year, Father Percy appointed James O. Clayton and James W. Newbold. Nearly 100 members of the parish are enlisted to call on other St. Andrew's families to accept their voluntary pledges. Father Percy requests that parishioners of St. Andrew's church please remain at home on Sunday afternoon, October 13, from 2 to 6 p.m. to welcome the canvass helpers. Andrew's church has just completed an expansion program, no capital fund drive will be conducted. Instead, wholly voluntary offerings, through pledges, will be depended upon to supply means for maintaining the church in 1958 and to start retiring the debt of the enlargement project. This is a rather new departure from usual church funding customs. However, Father Percy and his parish leaders are confident that their faith in the spirit of St. Andrew's people is fully justified.

Northern Girl Scouts To Divide

At a recent meeting, the North Torrance association of Girl Scouts decided to divide temporarily into thirds. The present neighborhood had grown considerably with a total of 772 girls registered in 53 troops. Mrs. Maxine Ruckle, neighborhood chairman commented: "Due to the large girl population in the North Torrance area, the division will allow more time for individual help and better programming. Day camp will be available to more girls; and with less troops there will be more time for sharing, troop accounts, and troop problem service. This will allow for expansion in those areas where growth is anticipated."

Church Sets Goal of 1400

The Narbone Avenue Southern Baptist church of Lomita served as host church to the Southern Baptist's annual Los Angeles Association meeting October 10 to 11. This is one of the four associations in Los Angeles county. There are 112 churches and 30 mission churches in the four associations. Los Angeles Association is the largest of the area with 50 churches and 15 mission churches. Youth organizations of the church were featured at the night service on last Sunday. The annual charter presentation was made by the brotherhood president, Robert Dearborn. There were eight boys who received recognition for advancement in rank. The church Sunday school has set a goal of reaching and enrolling 1400 additional persons by the end of the church year, 1958. The training union goal is set for 500.

as the regular meeting night at Carr school with the first to be conducted Oct. 15 at 7:30 p.m. In charge of Area III is Mrs. Nadine Wells. This area is east of Crenshaw between 190th st. and Redondo Beach Blvd., and includes Crenshaw, Arlington, Casimir and the proposed Lincoln and Hamilton schools. Council delegates from this area will be Mrs. Evelyn Oliver and Mrs. Mike Chance; and the membership nominating committee chairman will be Mrs. Edna Filson. Regular monthly meetings will be held on the fourth Tuesday at Arlington school with the first scheduled October 22 at 7:30 p.m.

Lomita Leads In Recruiting Volunteers

Lomita still leads the other Harbor Area communities in recruitment of volunteer workers for the 1957-58 Community Chest campaign with City Chairman James Munson reporting 70.16 percent recruited of the total number of workers needed in his community.

Gardena, under Oren G. O'Neill is second, with 50.38 percent recruited and Wilmington, under Ernest Brower, third, with 45.95 percent.

Other city chairmen reporting are Denver Bullock, San Pedro, 37.27; Glenn Koger, Torrance, 31.67; Harold Kavalaris, 20.57; and Mrs. William Ralph LaPorte, Palos Verdes, 12.00.

St. Andrew's Enlargement Now Finished

Father Hugh R. Percy, Rector at St. Andrew's Episcopal church, 1432 Engracia St., reports that services were held in their newly expanded church for the first time last Sunday, October 6. The expansion program began at St. Andrew's June 4. The walls of the church were knocked out, leaving the pillars standing. New walls were erected thirteen feet out on each side. This enlargement made possible the inclusion of sufficient new pews to more than double the previous seating capacity of the church. The beautiful stained glass windows, removed during construction, are now replaced and others have been added. New red carpeting, more church furniture, and overhaul of the church organ complete the modernization program.

Father Percy reports that the expansion came none too soon, in fact, it is rather late. As Torrance has grown, so has St. Andrew's church. Before this enlargement it was necessary to hold overflow services every Sunday.

Father Percy invites people of all faiths, but especially newly arrived Episcopalians, in the greater Torrance area to visit or attend St. Andrew's Church. Everyone is welcome.
